

VIRTUS COMPLIANCE

All adult volunteers working with youth in the Catholic Diocese of Arlington **MUST** maintain compliance with the Diocesan's Office of Child Protection and Safety.

The Office of Child Protection is now offering the ability to apply online <https://www.arlingtondiocese.org/child-protection/>

Attend the [VIRTUS](#) training "Protecting GOD's Children" (approximately 4 hours). Register at [VIRTUS® Online](#) for class.

Please note, the background check and clearance process takes approximately 4-6 weeks. If you fear your clearance will not be done in time, proceed with it anyway. If you are not cleared before the start of Catholic Faith Camp, you will be ready for next year or any other ministry with children that you wish to participate in the Diocese of Arlington
